Experience

June 2019 – March 2022

Claims Adjuster *GEICO*

Fair and efficient claims filing and management in accordance with respective laws and standards; Detail-focused claims handling to ensure accurate liability and payout decisions. Highlight: Selected out of a small number of high-productivity employees by home office to pilot what would become the new standard for claims handling.

January 2019 – May 2019

Sales *Guitar Center*

Guitar, Effects, and Accessories sales. Maintained up-to-date fluency and knowledge of current and past equipment and instruments for reliable sales and service experience. Handled stocking, housekeeping, and used-gear buy-ins in addition to front of house greeting and commissioned sales duties.

April 2018 – January 2019

Inventory Steward *Field Roast / Greenleaf Foods*

Maintained accurate inventory and stock counts for production line ingredients and packaging supplies, as well as maintaining communication with sales and production departments. Use of MS Office and QuickBooks to ensure accurate recording and reporting of quantities of both raw ingredients and ready-for-sale product, along with verifying accuracy of counts for sales orders and freight Bill of Lading's.
